

Endeavor Healthcare Operations We have the **resources** you need.

Our Vision

To be the best healthcare services company in Texas and Oklahoma.

Our Mission

To continually improve the healthcare provided in the communities we are fortunate to serve.

Our Values

Excellence
Honesty
Stewardship
Joy

Endeavor Healthcare has a proven track record of improving the operational performance of hospitals, imaging centers, surgical centers and physician practices. We have implemented strategies that grow volume, increase efficiency, reduce costs, attract and retain quality staff and recruit and retain quality physicians of all specialties.

We customize solutions for our clients in a manner that best allows them to access our broad spectrum of resources so that we return significant value to the organization for the services we provide.

Endeavor Healthcare Services Include:

- Effective Volume Growth Strategies
- Expense Reduction Assessment and Strategies
- Staffing Review and Implementation of Productivity Standards
- Interim Administrative Management
- Quality and Compliance Review
- Case Management Practice Review
- Physician Contracting and Negotiations
- Assistance with Physician Recruitment – Primary Care and Specialists
- Physician Practice Assessment
- Human Resources Policy and Procedure Review
- Vendor Contract Review, Recommendations and Negotiations
- Procurement Strategies
