

REVENUE CYCLE MANAGEMENT

At Endeavor Healthcare, A/R means Accounts Resolution!

Our Vision

To be the best healthcare services company in Texas and Oklahoma.

Our Mission

To continually improve the healthcare provided in the communities we are fortunate to serve.

Our Values

Excellence
Honesty
Stewardship
Joy

We take pride in structuring our arrangements in a manner that makes certain our success is contingent upon your success. In this way, **Endeavor Healthcare** is your organization's partner for financial health. Through an array of customizable solutions, our team adapts to your facility's unique needs by providing innovative, long-term enhancements to fully leverage your revenue cycle operations and improve cash flow.

Our Revenue Cycle services include:

- Acceleration of Accounts Resolution to Optimize Cash Flow
- Reduction of Days in A/R
- Proven Strategies to Reduce Bad Debt
- Increased Clean Claim Rates and Reduction of Days to Bill
- Reduction of Discharged-Not-Final Billed (DNFB) Accounts
- Denial Management and Payer Adherence to Contracted Rates
- Enhanced Focus on Point-of-Service Cash Collections
- Robust CDM Review and Enhancement
- Facilitate and Streamline Inter-department Process Flow to Improve Charge Capture
- Validation of Patient Access, Business Office, and HIM Staffing Levels
- Improvement in Team Member Morale through In-Service Training and Routine Communication
